Resolutions that are received by January 10th will be included in the business schedule and will be posted on the meeting website at least 30 days prior to the meeting.

Late resolutions (i.e., those received after January 10th) will, per By-Laws, receive limited debate on the HoD floor and may be considered by the AMDA Board.

Resolutions must be submitted via email to Gaby Geise in the Public Policy & Advocacy department (gageise@paltc.org). The receipt of all resolutions will be confirmed by a return email message. If you do not receive such an email, your resolution has not been received.

The checklist may be, but is not required to be, submitted with a proposed resolution. Also attached is a template resolution you may use to help.
Delegates must be full general members of AMDA including physicians, physician assistants, nurse practitioners, or clinician with Doctorate degree with active AMDA memberships. AMDA must certify each delegate before they are official. Each delegate will receive email confirmation of their selection once certified.

PLEASE MAKE EVERY EFFORT TO ENSURE ALL DELEGATES ARE REGISTERED ON TIME.

Please [click here](#) to see how many delegates you have and to register the delegates for the meeting. Any questions? Contact AMDA at statechapters@paltc.org. Please note all alternate delegates must be verified by the State Chapter President and/or Chair of the State Delegation.

**Resolution Committee**

The Resolution Committee has been appointed to review all submissions and ensure that the business of the HoD is focused on issues of importance and ready to be presented to the House. Anyone submitting a resolution is encouraged to join the review call to gather feedback on their resolution. The Resolutions Committee call set for **Tuesday, January 16, 2024 at 6pm EST (5pm CST)**. If unable to attend, please have a surrogate available for the call.

Thank you.
AMDA RESOLUTION PROCESS

All resolutions, policy papers, and position statements are submitted for consideration and endorsement by the House of Delegates. Resolutions may be submitted from the Board of Directors, state chapters, committees, and subsections of the association.

Before reaching the floor of the House of Delegates, resolutions must follow a review process:

1. Resolutions are submitted to the AMDA national office
2. Resolutions are reviewed against previous policies and actions to ensure consistency and identify potential conflicts with prior policy
3. Resolutions are sent to appropriate committees and board members for review and to staff for analysis of the fiscal impact on the association
4. Resolutions Committee meets by conference call prior to the annual meeting of the House of Delegates to review the resolutions and comments
5. Resolutions Committee makes edits and suggestions for format compliance and clarity
6. Suggested changes are sent back to the originators of those resolutions with suggested changes
7. Resolutions Committee meets by conference call (if needed) to review and agree upon the final resolutions included in this delegates' webpage 30 days prior to the meeting
8. House of Delegates convenes, reviews and debates resolutions
9. Passed resolutions are implemented by the appropriate committee or staff

   Whereas statements support / provide background to substantiate the intent of the RESOLVED. You may include as many whereas
   statements as necessary to provide the foundation for the intent(s) of the RESOLVED statements.

☐ RESOLVED statement(s) is (are) included
   RESOLVED statements are requests for AMDA to take a specific position or course of action to address the concern(s) expressed in
   the whereas statement(s). The House acts only on the RESOLVED portions of resolutions. Each RESOLVED statement must be
   accompanied by one of the following identifiers indicating the nature and purpose of the proposed RESOLVED:
   • New HOD Policy¹
   • Rescind HOD Policy
   • Modify Current HOD Policy²
   • Reaffirm HOD Policy³

   located http://www.amda.com/governance/papers.cfm)

☐ To the extent possible, each RESOLVED makes adjustments, additions or elaborations to existing policy rather
   than creating new, possibly redundant policy.

☐ Existing policy statements that would be superseded or deemed contrary to newly proposed policy are proposed
   for rescission.

☐ Information contained in the resolution has been checked for accuracy and, if applicable, includes appropriate
   reference citations to facilitate independent review.

☐ Use resolution template provided below.

Notes:

† AMDA will develop fiscal notes for all resolutions.

1 New policy should be stated as a broad guiding principle that sets forth the general philosophy of the Association on specific issues of
   concern to long term care. If adoption of the new policy could render obsolete or supersede one or more existing policies, those policies
   should be identified by number and recommended for rescission or revision.

2 This designation is intended for resolutions that call for specific amendments or modifications to existing policy. Please set out the
   pertinent text of the existing policy, citing the policy number, and clearly identify the proposed modifications. If adoption of modified
   policy could render obsolete or supersede one or more existing policies, those policies should be identified by number and recommended
   for rescission.

3 Reaffirmation of existing policy should contain a clear restatement of the existing policy, citing the policy number.

4 This designation is for use if the intent of the resolution is to have the AMDA take a specific action (work with coalitions, lobby
   Congress, etc.) Directives to take action should include all elements required for establishing a new policy as well as a clear statement of
   existing policy, citing the policy number underlying the directive.

Please email items of business to ggeise@paltc.org in the Public Policy Department. The receipt of items will be
confirmed via return email. This checklist may be, but need not be, returned with your resolution.
